Outlook 365 - Cannot connect to login.microsoftonline.com - 0xcaa30194 Error -

Dave Topan - 2018-12-31 - 0 Comments - in email

Access the following registry path

Computer \ HKEY_CURRENT_USER \ Software \ Microsoft \ Office \ 16.0 \ Common \ Identity

Add a new entry of type REG_DWORD with the name EnableADAL with value 0

Remove the DisableADALatopWAMOverride entry if it exists.
