Prevent users from creating new Teams

Dave Topan - 2023-08-13 - 0 Comments - in Office 365

Must have licensing to complete (E series or Business premium)

- 1. Create directory settings if missing: <u>Configure group settings using PowerShell Microsoft Entra | Microsoft Learn</u>
- 2. Follow this article: Stop users from being able to create Microsoft Teams TechLabs
- 3. Add users to Teams Admins for who you want to be able to create teams
