D&S Helpdesk

Prevent users from creating new Teams

Dave Topan - 2023-08-13 - 0 Comments - in Office 365

Must have licensing to complete (E series or Business premium)

1. Create directory settings if missing: Configure group settings using PowerShell - Microsoft Entra | Microsoft Learn

2. Follow this article: Stop users from being able to create Microsoft Teams - TechLabs

3. Add users to Teams Admins for who you want to be able to create teams
